

# 2023-2024 Middle School *OpenSciEd* Professional Learning Community

Facilitated by the Michigan Mathematics and Science Leadership Network

Are you looking an opportunity to share ideas and questions with other *OpenSciEd* teachers? Would you like more support for your implementation?

Each PLC meeting is focused on Teachers' Questions and Answers and includes discussions of a different *OpenSciEd* practice.

## Join our OpenSciEd PLC!

### Details

- Cost-effective high-quality PL centered on teachers' successes and challenges implementing Middle School *OpenSciEd*
